STATOTHR

Mr. John Knoche
P. O. Box 927

Dear John:

The sheer depth of the enclosed clippings and other assorted junk would lead to the conclusion that I have become an egomaniac. But, I thought that you and the rest of the gang, including Randy and Yia, would be interested.

I look forward to seeing you all soon. It was good talking with you on the phone yesterday, and once again, for the record, happy anniversary to you and Brenda.
